MODERIRANA RAZLIČICA

UVODNA NAVODILA ZA VREDNOTENJE

Pravilen odgovor je vreden 1 točko, nepravilen 0 točk. Polovičnih točk ni.

Pri vrednotenju uporabljamo naslednja popravna znamenja:

- pravilen odgovor ✓
- nepravilen odgovor //
- odgovora ni /

Zgornja znamenja zapišemo levo ali desno ob nalogi, oziroma spodaj ob posameznem odgovoru (naloga A besedišče).

Če učenec ni zapisal ali označil odgovora, naredimo popravno znamenje *odgovora ni* (znak /).

Če je učenec napisal ali označil več odgovorov (npr. več črk ali več kljukic v polja razpredelnice) in je med njimi tudi pravilen, odgovora ne upoštevamo.

Upoštevamo samo odgovore v angleškem jeziku.

Nejasne popravke in nečitljive zapise točkujemo z nič (0) točkami.

I. DEL: SLUŠNO RAZUMEVANJE – 12 TOČK**NALOGA A****HEALTHY LIVING**

Anna and Bob are both 12. They live in the same village and they go to the same school and to the same class.

Anna: Hi, Bob. How are you? You're reading something. What is it?

Bob: Hi, Anna. Thanks, I'm fine. It's an article about healthy living. They say that food is important. You should have five meals a day. Eating fruit and vegetables is good for you.

Anna: I don't have any problems with that. I like both of them very much. My mother prepares a lot of fresh vegetables, specially salads. Different salads are my favourite food.

Bob: Lucky you. I don't like home-made food too much. My mother or father always cook lunch and dinner for me and my sister, but I don't eat a lot. I adore fast food restaurants and I can't do without sweets.

Anna: You should try harder. Eating healthy food is very important. Oh, and exercising is important too. Do you like sports?

Bob: Don't worry. I'm a big sports fan. I do a lot of sports. My favourite sport is football. My friends and I play it almost every day.

Anna: But I don't like running or skiing or playing ball games. I like magazines and books. My favourite hobby's reading. I know it is good to do different sports. Let's try something this afternoon. What do you think about swimming?

Bob: OK, but I'm hungry – let's have some food first. Burger and chips ...

Anna: Oh, Bob!

Bob: OK, you win. Let's go swimming then.

Anna: Wait a minute please. I have to get my swimsuit and then we can go.

Bob: No problem. There's no need to hurry.

AN AMAZING GIRL

- R:** Hello, Laura. You're a really nice model.
- L:** Thanks. I am really excited. Today my wish has finally come true. I've become a model for a day.
- R:** How old are you, Laura?
- L:** Eleven. But I'll be twelve soon. I'm a Leo.
- R:** Is your birthday in August?
- L:** No, in July, at the end of July.
- R:** You're wearing blue jeans with a belt, a light blue top and blue flip-flops. Is your favourite colour blue?
- L:** Not really. Blue is OK, I also like yellow, but I like pink most. I usually wear pink tops.
- R:** Being only 11, what are you interested in?
- L:** Everything, but most of all I like trains.
- R:** Trains!
- L:** Yes, I do love trains. I'm lucky! I live in York and there are lots of museums. My favourite is The National Railway Museum. It's got the largest collection of railway locomotives in the world. I often go there with my dad. I'd really want to collect model trains but I don't have enough room.
- R:** I wouldn't be surprised if you said that you're also keen on Vikings.
- L:** Sure. You can learn a lot about them at the Jorvik Viking Centre. This is a museum about the Vikings. When I am there, I take a journey in the time car. I sit in the car and look at the objects from the 10th century. It's so cool!
- R:** I must see it! ... I know York is known for rugby, rowing, and football. You don't play football, do you?
- L:** No, I ride horses in my free time and I always watch horse racing during a three-day festival in August. But I enjoy watching football, especially when my brother plays. He's a real star.
- R:** Laura, would you like to be a model when you grow up?
- L:** No, a nurse. When I was younger, I wanted to be a doctor, then I was thinking about being a model. Later I changed my mind again. I like helping people and there's a good medical school in York. So, next year I'm going to go to that school.
- R:** I'm sure you'll be very good at it.
- L:** Thank you.
