## RECIPE FOR A HAPPY DAY

Every morning Marjorie's Mamma has problems with her daughter who doesn't want to get up when her mum calls her. One day she asks Marjorie to go shopping for milk and eggs. Marjorie shuts the door as she goes out with the basket. She is so angry that she doesn't notice the beautiful sunshine or the pretty birds singing.

0. **What** does mum need from the shop?

*Milk and eggs.*

1. **How** does Marjorie feel when mum sends her to the shop?

On her way Marjorie sees a little elf sitting upon a stone at the side of the road. He wears a little green suit and a funny little pointed cap.

"Hello, I'm Merry Chuckle from Wonderland! You must be Marjorie. What's the matter?"

"I just hate to go to the store! It's too far!" She drops her basket on the ground and sits down beside the elf.

"Isn't it funny?" laughs Merry Chuckle. "There are hundreds of children just like you! But I can help you!"

2. **What colour** are the elf's clothes?

3. **Where** does the elf live?

N 1 7 1 2 4 1 2 1 M 0 7

“Really?”

“First of all, when you wake up, you must say to yourself, ‘Oh what a lovely, happy day this is going to be!’ and always remember to put your toes on the floor first. If you get out of bed backwards, the ugly witch turns your good days into bad days”.

“Oh dear, I always get out of bed backwards!” Marjorie says. “Today is a bad day. It’s a fifteen-minute walk to the shop and the road is muddy!”

“But the longer the road the more happiness you can find along the way!” Merry Chuckle replies. “Just look up at the blue sky and sing with the birds. As you run along, you’ll find the road too short and you’ll be back before you notice it. Just try it and see.”

4. **Who** makes good days into bad days?

---

5. **How much time** does Marjorie need to get to the shop?

---

Marjorie looks up the road with a smile. When she turns around, the little elf disappears and returns home. Marjorie picks up her basket and skips down the road singing and before she has time to think about how far it is, she is back home.

From now on she knows her days are going to be great.

6. **What** happens to the elf at the end of the story?

---
